Story

Alyene is the type of girl who you would love to have as your daughter or granddaughter. She is the most popular girl in her class, and will be a pretty good candidate for class president and prom queen when she's in high school. But what a lot of people don't know is that behind her smile **Aylene** carries lots of pain from her parents' divorce 5 years ago. **Aylene** doesn't realize that GOD IS THE ONLY ONE WHO CAN HELP THE HURT...AND GOD MISSES HER VERY MUCH!
